

"I _____, along with everyone gathering in Her Council of Love today and every day, call our wise, mystic, loving selves from the Once Was and the Not Yet to gather in this moment to shower our world and everyone who dwells here, with the healing power of Her Eternal, Original, Unconditional Love."

"Invoking the power and strength of Lady Freedom, I, _____, and all who pray with me, offer ourselves to Hana I Ka Pono, to cultivate goodness, healing, and freedom for all life here on Mother Earth. We take **responsibility** and ask for forgiveness for all past, present, and future pain caused by personal and collective thoughts, words, actions and inactions.

We ask to **cut all negative cords** of domination, control, injustice, oppression, abuse, tyranny, greed, enslavement, and suffering. We ask that these cords be cut, severed, cleansed, purified, and transmuted to the pathway of light.

We ask that all be **renewed and restored** in **Pono**, in humility, in empathy, and in grace to honor, respect, and revere all life here on Mother Earth.

Amama Ua Noa ... it is given, it is free, amene"
